

Healthy School Meals for All – 2021 Social Toolkit

Sample Posts

Post 1

Healthy school meals for all can unlock success for students by ensuring that all students get two free, healthy meals every school day. Not only can equitable access to healthy meals level the playing field, it reduces lunch stigma when all students receive free lunch. #HealthySchoolMealsForAll

Post 2

The Pandemic Child Hunger Prevention Act aka #HealthySchoolMealsForAll moves to ensure every student is on level playing field, equipped with a full stomach, and ready to learn. Read why over 125 organizations gave it an A+ in a letter to House members: <https://www.heart.org/-/media/files/get-involved/advocacy/universal-free-school-meals-signon-letter-finalupdated.pdf?la=en>

Post 3

Here's why we love #HealthySchoolMealsForAll:

-  Ensures all students receive a healthy breakfast and lunch
-  Removes stigma when all students receive free meals
-  Speeds up lunch lines
-  Eliminates unpaid meal balances
-  Provides steady budget for food service programs

Post 4

With #COVID19 increasing stress and strain for all families, #HealthySchoolMealsForAll just makes sense. School food service programs will receive a steady budget, no burden on families to do paperwork, and kids get healthy meals. That's an A+ from us. <https://www.heart.org/-/media/files/get-involved/advocacy/universal-free-school-meals-signon-letter-finalupdated.pdf?la=en>

Post 5

We may not know what the school day will look like, but legislation for #HealthySchoolMealsForAll will give flexibility to programs so that they can keep feeding kids no matter what the new school day structure becomes in the fall.

Post 6

With all eyes on ensuring #equity in schools, #HealthySchoolMealsForAll legislation like the Pandemic Child Hunger Prevention Act, takes a huge step towards ensuring every student is on level playing field, equipped with a full stomach, and ready to learn. Thank you @BobbyScott!
