

PETITION CO-SIGNERS

1. David Andow
Professor of Insect Ecology
University of Minnesota
2. Paul Arriola
Assistant Professor of Biology
Elmhurst College
3. J. Leonard Bernstein
Professor, Department of Internal
Medicine
University of Cincinnati
4. Michael J. Burke
Associate Director, Oregon
Agricultural Experiment Station
Oregon State University
5. Norman Ellstrand
Professor of Genetics
University of California, Riverside
6. Joseph Esnard
Senior Research Associate
Cornell University
7. Mary Eubanks, Ph.D.
Professor of Biology
Duke University
8. John S. Fletcher
Professor of Botany
University of Oklahoma
9. Albert J. Fritsch
Executive Director
Appalachia Science in the Public
Interest
10. Paul Gepts
Professor of Agronomy
University of California, Davis
11. Lynn R. Goldman, MD
Professor at Johns Hopkins University
and former Assistant Administrator at
the Environmental Protection Agency
12. Fred Gould
William Neal Reynolds Professor of
Entomology and Genetics
North Carolina State University
13. Eric M. Hallerman
Associate Professor, Department of
Fisheries and Wildlife
Virginia Polytechnic Institute and
State University
14. Robert G. Hamilton, Ph.D.
Professor of Medicine and Associate
Professor of Pathology
The Johns Hopkins University School
of Medicine
15. David Hawthorne
Assistant Professor of Entomology
University of Maryland
16. Dr. Martin Heller
Research Fellow, Center for
Sustainable Systems
University of Michigan
17. Nick Jordan
Associate Professor of Agronomy
University of Minnesota
18. David Kriebel
Professor of Epidemiology
University of Massachusetts Lowell
19. Karen Oberhauser
Outreach Assistant Professor of
Ecology, Evolution/Behavior
University of Minnesota
20. C.S. Prakash
Professor of Plant Genetics
Tuskegee University
21. Steven H. Strauss
Professor of Forest Science
Oregon State University
22. Richard C. Strohman
Professor Emeritus
Department of Molecular and Cell
Biology
University of California, Berkeley
23. James M. Tepperman
Research Specialist
USDA Plant Gene Expression
Center/UC Berkeley Department of
Plant & Microbial Biology
24. Kristen L. Uthus
Lecturer, Literature Science & the
Arts Biological Station
University of Michigan
25. John Vucetich
Research Assistant Professor
School of Forest Resources &
Environmental Science
Michigan Technological University
